Eco News

Did you know that the month of April is dedicated to the Earth? The Eco club is working together to organize a number of Eco initiatives for Earth Week and Earth Day.

Earth week will begin on April 16 and end on Earth Day - April 22. Students will be involved in the following Eco initiatives:

April 16: Litterless Lunch Monday

Create as little waste as possible! Bring in reusable lunch containers.

April 17: Tree watering and vegetable seed preparation

Students will begin to water shade trees and place vegetable seeds into soil for our vegetable garden initiative.

April 18: Walk to school Wednesday

Walk to school if you live close by!

April 19: Thirsty Thursday

Make sure you come to school with your reusable water bottle and take advantage of our water dispensers.

April 20: Lights Free Friday/ Earth Day Pledge

Turn off the lights and use natural light. Take advantage of sunny days. Students will sign an Earth Day Pledge.

April 22: EARTH DAY!!!!

Thank you for your support,
