

The Luke 4:18 Committee is inviting all classes to help support our April initiative:
WE Walk for Water

On April 27th, schools across the country will come together for **WE Walk for Water**, a global fundraising event to walk and raise money for all of the women and children who travel hours each day to collect water.

We believe that everyone deserves access to clean water. Clean water is a basic human right, but more than 800 million people lack access to it. When communities have access to clean water, girls can attend school, parents can run sustainable farms and families can lead healthier lives.

We are challenging each class at St. Mary of the Angels to raise a minimum of \$25.00 each. Every \$25.00 raised will provide one person with clean water for LIFE!! Imagine the impact you can make when you combine your pocket change together!

By supporting your child's efforts you are helping make a difference globally and empowering your child to realize their potential in creating change.
